Call for expression of interest for 2 positions of Systems Software Developers and Hardware Designers/Architects at junior level in the Institute of Computer Science (ICS) Foundation for Research and Technology - Hellas (FORTH)

**Position(s):** up to 2 positions, in Hardware Architecture/Design, at junior level (graduate student research assistants)

**Projects:** AXIOM (GA 645496) and dRedBox (GA 687632), funded under H2020.

Desired starting dates: starting December 1, 2017, or as soon as good candidates are available.

Duration: three months initial evaluation period, with possibility for yearly renewals after. Location: Chania, Crete, Greece.

**Opening date:** 30 October 2017

**Closing dates:** 13 November 2017

**Reference:** dRedBox-02-Oct2017

**Description:**

The candidates will participate in the R&D work of FORTH within the two projects. We seek members for our team at the level of graduate student research assistants (student fellowships). Ability to work in a team is a must, and ability to take initiatives and to communicate with people is a definite plus.
**Required qualifications:**

- University degree in ECE or Computer Science
- Courses, projects, and/or experience, in Systems Software and/or Hardware Architecture/Design;
- Willingness and ability to work cooperatively within a team, to learn, and to adapt to the projects;
- Fluent knowledge of English.

**Desired qualifications:**

Knowledge of and/or experience in and/or strong interest to learn one or more of the following:
- Computer architecture
- Xilinx FPGA hardware/software development (Vivado, SDK), Verilog and/or VHDL, simulation & verification;

**Application Submission:**
Applications must include:
- Detailed CV, including qualifications and interests in the above areas, and proof thereof;
- Contact information for 2 or 3 references;
- Scanned copies of academic titles.
Promising candidates may be invited for an interview before a decision is made.

**Contact Information:**

- If you have any difficulties uploading your application, please send an email to the following address: webmaster@ics.forth.gr .
- For information and questions about the advertised positions, the activities of the group, or the Institute, please contact Dimitrios Theodoropoulos (dtheodor@ics.forth.gr ) and Dionisios Pnevmatikatos (pnevmati@ics.forth.gr ).

**Selection Announcement**

The result of the selection will be announced on the website of ICS-FORTH. Candidates have the right to appeal the selection decision, by addressing their written objection to the ICS secretariat within three (3) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates’ scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of ICS-FORTH in line with the Hellenic Data Protection Authority.
