Call for expression of interest for a position of an Economics Expert in Information and Communication Technologies with focus on Cybersecurity, Internet of Things or Circular Economy in the Institute of Computer Science (ICS) Foundation for Research and Technology – Hellas (FORTH)

Position(s): One (1) position of an Economics Expert in Information and Communication Technologies, with focus on Cybersecurity, Internet of Things or Circular Economy

Desired starting date: February 1, 2018
Duration: 12 months with possibility of extension
Location: Heraklion, Crete, Greece
Opening date: 13-12-2017
Closing date: 27-12-2017
Ref.: CyberSure-02-Dec2017

Description
The candidate will participate in the R&D and administrative activities of FORTH in the context of the projects: CYBER Security InSURancE — A Framework for Liability Based Trust - CyberSure, GA 734815, funded under Horizon 2020, MSCA-RISE - Marie Skłodowska-Curie Research and Innovation Staff Exchange (RISE), H2020-MSCA-RISE-2016
We seek an experienced member for our team, with a background in Economics and experience in EU
organisations, with focus on Information Technology. Experience in cybersecurity, Internet of Things or Circular Economy would be advantageous.

In the context of CyberSure project, FORTH, along with the project’s partners, will develop a framework for creating and managing cyber insurance policy for cyber systems. The purpose of creating such policies will be to enhance the trustworthiness of cyber systems and provide a sound basis for liability in cases of security and privacy breaches in them. The framework will be supported by a platform of tools enabling an integrated risk cyber system security risk analysis, certification and cyber insurance, based on the analysis of objective evidence during the operation of such systems.

As such, prior experience in Economics, ability to work in an Information Technology and cybersecurity-focused team, ability to communicate with people and experience with a variety of financial tools and skills, as well as work experience in international, multicultural and multilingual environments, are all very important aspects for the position offered.

• **Required qualifications:**
  - University degree in Economics or related field;
  - MSc in Business Economics, Finance or related fields;
  - Past experience in international, multicultural and multilingual environments, with Information Technology focus, preferably in the core domains of the project;
  - Willingness and ability to work cooperatively within a team, to learn, and to adapt to the projects;
  - Excellent knowledge of English.

• **Desired qualifications:**
  - Experience in International organizations or EU bodies;
  - Experience in European cybersecurity affairs;
  - Experience with certification and/or quality assurance systems;
  - Skilled in financial tools; ERP, SI2, ABAC;
  - Professional experience in international, multicultural and multilingual environment;
  - Experience in organizing conferences, summers schools and other academic events in Information Technology, preferably in Cybersecurity.
  - Fluent knowledge of German or French.

**Application Submission**

Interested candidates can submit their applications via [http://www.ics.forth.gr/jobs/en/](http://www.ics.forth.gr/jobs/en/) using the link “Apply for the position” under the announcement. Applications must include:

- Detailed CV, including qualifications and interests in the above areas, and proof thereof;
- Scanned copies of academic titles;
- Detailed presentation of prior work, studies and/or publications, demonstrating knowledge of desired skills;
- Contact information for 2 or 3 references;

**Contact Information:**

- For information and questions about the advertised position the activity of the group or the Institute, please contact Dr. Ioannis Askoxylakis ([asko@ics.forth.gr](mailto:asko@ics.forth.gr)).

**Selection Announcement**

The result of the selection will be announced on the website of ICS-FORTH. Candidates have the right to appeal the selection decision, by addressing their written objection to the ICS secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates’ scores (ranking of candidates results). All
the above information related to the selection procedure will be available at the secretariat of ICS-FORTH in line with the Hellenic Data Protection Authority.
