Call for expression of interest for a position of Neuroimaging in the Institute of Computer Science (ICS) Foundation for Research and Technology – Hellas (FORTH)

Position(s): One (1) position of Neuroimaging expert with preference

Project: Predicting Effective Adaptation to Breast Cancer to Help Women to BOUNCE Backs (BOUNCE), GA 777167, funded under Horizon 2020, H2020-SC1-2017-CNECT-2

Desired starting date: February 1, 2018

Duration: 6 months with possibility of extension

Location: Heraklion, Crete, Greece

Opening date: 19-12-2017

Closing date: 02-01-2018

Ref.: “BOUNCE-01-Dec2017”

Description

The candidate will participate in the R&D work of FORTH within the BOUNCE project. We seek an experienced member for our team, at the post-MSc and/or PhD-candidate level. In the context of BOUNCE project, FORTH is responsible for research and innovation activities that include planning of activation tasks and protocols for processing and analyzing magnetic resonance imaging (MRI) and
functional magnetic resonance imaging data (fMRI) for use as predictors of disease outcomes in breast cancer patients.

**Required qualifications:**
- University degree in Biology or medical fields;
- MSc in Cognitive Neuroscience or related fields
- Fluent knowledge of English.
- Completed military obligations (for Greek citizen male candidates) or legally postponed

**Desired qualifications:**
- Experience with MRI and fMRI data analysis with relevant peer-reviewed publications
- Experience with research projects funded by National or European grants (e.g. MRI and fMRI data analysis and interpretation)

**Application Submission**
Interested candidates can submit their applications via [http://www.ics.forth.gr/jobs/en/](http://www.ics.forth.gr/jobs/en/) using the link “Apply for the position” under the announcement. Applications must include:
- Detailed CV, including qualifications and interests in the above areas, and proof thereof;
- Scanned copies of academic titles;
- Detailed presentation of prior work, publications, references etc demonstrating research experience and knowledge of desired skills

**Contact Information:**
- For information and questions about the advertised position the activity of the group or the Institute, please contact Theano Apostolidi (apost@ics.forth.gr).

**Selection Announcement**
The result of the selection will be announced on the website of ICS-FORTH. Candidates have the right to appeal the selection decision, by addressing their written objection to the ICS secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates’ scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of ICS-FORTH in line with the Hellenic Data Protection Authority.
