Call for expression of interest for one (1) recent graduate position assigned in Computer Science program in University level with physical presence at FORTH, Heraklion, Crete for the duration of the position at the Institute of Computer Science, Foundation for Research and Technology – Hellas (FORTH)

Position: 1 position for the ECOSCALE (GA-671632)
Project: ECOSCALE (GA-671632), funded under H2020 FET-HPC.
Desired starting dates: as soon as candidates are available, one month after evaluation.
Duration: up to 4 months initially, with the possibility for further extensions until degree is fulfilled.
Location: Heraklion, Crete, Greece.
Opening date for applications: 17 April 2018.
Closing date: 2 May 2018.
Reference: “Ecoscale_april_2018”

Description:
The candidate will participate in auxiliary and training activities in the context of ECOSCALE project, which is an EU-funded research project. We are seeking a member for our team at the recent graduate University level in Computer science. The candidate should be physically present in Heraklion, Crete for the duration of the position. The candidate should have a keen interest in Systems software and be willing to work hard to be trained in order to become a productive member of our team. Ability to work in a team is a must, and ability to take initiatives and to communicate effectively with people is a definite plus.
Requirements:
- Recent graduate University in Computer Science with Physical presence at FORTH, Heraklion, Crete for the duration of the position.
- Willingness and ability to work cooperatively within a team, to learn, and to adapt to the projects.
- Fluent knowledge of English.

Desired qualifications:
Experience in: Embedded Processor software & Xilinx FPGA firmware for the purpose of testing the boards of the project’s prototype.

Application Submission:
Interested candidates can submit their applications via http://www.ics.forth.gr/jobs/en/ using the link “Apply for the position” under the announcement. Applications will be evaluated at the end of the closing date; evaluators may reject some candidacies on the grounds of insufficient qualifications. Applications must include:

- Detailed CV, including qualifications and interests in the above area, and proof thereof;
- Certification of a Computer Science Department’s graduate grades showing that they have fulfilled all or almost all the graduation requirements.
- Scanned copies, (i.e. English language certification).

Promising candidates may be invited for an interview before a decision is made.

Contact Information:
- For information and questions regarding the application and selection procedure, please contact: webmaster@ics.forth.gr
- For information and questions about the advertised positions, the activities of the group, or the Institute, please contact Nikolaos Papadopoulos (nickpap@ics.forth.gr)

Selection Announcement
The result of the selection will be announced on the website of ICS-FORTH. Candidates have the right to appeal the selection decision, by addressing their written objection to the ICS secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates’ scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of ICS-FORTH in line with the Hellenic Data Protection Authority.
