Position(s): One (1) part-time position of a Research Associate.
Projects:
- I-BIDaaS Industrial-Driven Big Data as a Self-Service Solution

Desired starting date: August 1, 2018
Duration: 6 months with possibility of extension
Location: Heraklion, Crete, Greece
Opening date: 21/05/2018
Closing date: 05/06/2018
Ref.: “UNICORN-IBIDAAS-03-May2018”

Description
We seek an experienced member for our team, a Research Associate (part-time), with strong background in European Research Projects. The candidate will participate in the R&D activities of FORTH in the context of the project UNICORN: A Novel Framework for Multi-cloud Services Development, Orchestration and Continuous Management Fostering Cloud Technologies Uptake from Digital SMEs/Startups and I-BIDaaS: Industrial-Driven Big Data as a Self-Service Solution.
Required qualifications:
- PhD in Computer Science and/or Engineering or related fields
- Excellent knowledge of English.
- At least five (5) years of extensive experience with European research projects (technical reports, deliverables writing, proposal preparation, support in management)
- Excellent knowledge in designing, implementing and integrating IT systems.
- Willingness and ability to work cooperatively within a team, to learn, and to adapt to the projects.

Desired qualifications:
Knowledge of and/or experience in and/or strong interest to learn one or more of the following:
- Demonstrated research and experience in distributed systems and large scale infrastructures.
- Demonstrated experience in EU-funded project activities.
- Large scale computer systems and security related frameworks design and development.
- Experience in Services Discovery.
- Excellent knowledge of authentication and authorization systems.
- Strong knowledge of blockchain technology.

Application Submission
Interested candidates can submit their applications via http://www.ics.forth.gr/jobs/en/ using the link “Apply for the position” under the announcement. Applications must include:
- Detailed CV, including qualifications and interests in the above areas, and proof thereof;
- Scanned copies of academic titles;
- Contact information for at least 2 references;

Contact Information:
- For information and questions about the advertised position the activity of the group or the Institute, please contact Sotiris Ioannidis (sotiris@ics.forth.gr).

Selection Announcement
The result of the selection will be announced on the website of FORTH-ICS. Candidates have the right to appeal the selection decision, by addressing their written objection to the ICS secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates’ scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of ICS-FORTH in line with the Hellenic Data Protection Authority.
