Call for expression of interest for the position of one (1) student enrolled to a University Graduate Program in Computer Science or Computer Engineering, at the Institute of Computer Science (ICS) Foundation for Research and Technology – Hellas (FORTH)

**Position:** One (1) position for the ViMM H2020 project

**Project:** “ViMM – Virtual Multimodal Museum” (Grant Agreement number: 727107) funded under Horizon 2020, H2020-SC6-CULT-COOP-2016-2017

**Desired starting date:** January 1st, 2019

**Duration:** 3 months with possibility of extension

**Location:** Heraklion, Crete, Greece

**Opening date:** 15/11/2018

**Closing date:** 30/11/2018

**Ref.:** “ViMM-Nov2018”

**Description**

We seek one highly motivated student enrolled to a University Graduate Program in Computer Science or Computer Engineering who will be physically present in Heraklion, Crete for the duration of the position. The candidate will participate in the R&D activities of FORTH-ICS in the context of the project “ViMM – Virtual Multimodal Museum” (Grant Agreement number: 727107) funded under Horizon 2020, H2020-SC6-CULT-COOP-2016-2017. Ability to work in a team is a must, and ability to take initiatives and to communicate effectively with people is a definite plus.

ViMM is a high-visibility and participative Coordination and Support Action (CSA), funded under the EU Horizon 2020 programme. The project brings together Europe and the world’s leading public and private sector organisations working on Virtual Museums and in the wider sector of Digital Cultural Heritage, to support high quality policy development, decision making and the use of technical advances. In the context
of the project, FORTH-ICS addresses the need for Virtual Museums to focus on the latest VR / AR technologies and the potential capabilities of these technological approaches.

**Required qualifications:**
- Enrollment to a University Graduate Program in Computer Science or Computer Engineering
- Willingness and ability to work cooperatively within a team, to learn, and to adapt to the project
- Fluent knowledge of English
- Physical presence at FORTH, Heraklion, Crete for the duration of the position

**Desired qualifications:**
Knowledge of and experience in and/or strong interest to learn some of the following:
- Mixed Reality (augmented and virtual reality) technologies
- Computer Graphics
- Cultural Heritage applications for mobile devices
- Programming languages: C++/Objective C, Unity, GLSL, OpenGL

**Application Submission**
Interested candidates can submit their applications via [http://www.ics.forth.gr/jobs/en/](http://www.ics.forth.gr/jobs/en/) using the link “Apply for the position” under the announcement. Applications must include:
- Detailed CV, including qualifications and interests in the above areas, and proof thereof
- Certificate of enrollment to a University Graduate Program in Computer Science or Computer Engineering
- Scanned copies of academic titles
Promising candidates may be invited for an interview before a decision is made.

**Contact Information:**
For information and questions about the advertised position, the activity of the group or the Institute, please contact George Papagiannakis at papagian@ics.forth.gr.

**Selection Announcement**
The result of the selection will be announced on the website of ICS-FORTH. Candidates have the right to appeal the selection decision, by addressing their written objection to the ICS secretariat within five (5) days since the results’ announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates’ scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of ICSFORTH in line with the Hellenic Data Protection Authority. Access to personal data of co-candidates shall be limited to personal data (and relevant data) and supporting documents which have been the basis of the evaluation of the candidates for the specific post(s). Prior to the announcement of the personal data and/or documents of the co-candidates to the applicant, FORTH will inform the data subjects in an appropriate way.

FORTH is compliant with all legal procedures for the processing of personal data as defined by the Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data.

FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.
FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one’s legitimate legal rights’ as defined in the Regulation EU/2016/679 and/or in national law.

We inform you that under the Regulation EU/2016/679 you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws.

We acknowledge also to you, that you have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of your personal data protection rights, you may contact the Data Protection Officer at FORTH at dpo@admin.forth.gr.

You have the right to withdraw your application and consent for the processing of your personal data at any time. We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.
